

KEYS TO OUR FUTURE

What: Post adoption support services offered in a Q&A format (in groups of 6-12) with a panel of 2-4 adult adoptees to address various adoption questions in a safe conversational environment.

Possible topics:

- Acculturation
- Communication strategies
- Birth families
- Identity Crisis
- Racism
- Resources

When: Monthly beginning in September 2009.

Where: Hosted monthly in the privacy of a home; details emailed to participants.

Why: To capitalize on the benefits of openly communicating with adult adoptees that can share their experiences with parents and to equip parents of adoptees with information/ideas needed to communicate and relate with their adopted children.

Who: Guest panelists will be featured every month along with a facilitator/guide panelist.
